InterimPrimeMinister DésiréeElisabethStokkel,

I would like to RESET our relationship for the legally correct conduct & completion of the ICC - NL - UN - Hiberglobal - Spacex courtfile.

Désirée, you referred to the SpaceX ship 'Of course I still Love you', in your emails & tweets.... so I take my chance today!

I will be in Holland on..... to signature Documents for our relationship ... We signature for the Official Loan and put the money in your bankaccount; you need this to cleanup DictatorshipNL and to start RepublicNL, for yourself & FridaysForFuture-Kids.

I - ElonReeveMusk - will give you a Loan of 5 (five) million euro, to be payed back to me in deadlines of a 100 euro per month, on the first day of each month - for the rest of your life -. When you die, your family do not have to repay this loan to me.

We will find a way to start www.spacecourtplanet.com together for a Fairtrade future for Kids on Earth in Space.

Spacex will follow your advice for turning Spacex into first Intergalaxy 100% GreenBusinessNetwork.
