

17June2019

@GretaThunberg,

2 Months time to enhance your auto-immuum system for a visit to @UNFCCC.

I trust you to have adults at home, who help you out...

This is a straightforward letter.
Blunt - honest - helpful.

First this:

My heart cries, when I see that kids & younger generation cover themselves with fake blood to get a message across to politicians & co.

But I can't sit here and cry all day.

What is the @UN ?

UN is suppose to be the Best quality rolemodel for the Stateparties to the UN-charter.

This means: UN presents the Best Humanrights & Solutions for violations of Humanrights possible to all people on Earth in the MilkwayGalaxy.

Reality 2019: UN is only a Self-enrichment system for people who work there... or work at UN-linked Organisations.

UNSG AntonioGuterres = terrorist.

He does not want Courts of Law to operate in a way that the persons working for the UN can be forced to stop their Self-enrichment at the cost of the lives of the Simple People.

**Simple People on Earth & Intergalaxy,
may not be strong enough to Demand
that the UN-budget is being used for what it is meant to be,
namely:
RESET of Humanrights for the Evolution of All of Us,
in good health - labour - happiness - justice.**

Babyboomers have turned themselves into Sociopaths; they brainwashed themselves for the Evolution of private Materialism..... and Freedom to Murder.

This tastes fine to them!

Horrifying to the Lawless Simple People on Earth & Intergalaxy.

UN-power language-game

People working at UN or linked organisations, play the following games:

- They always ignore the UN-charter & Humanrights;
 - Always skip the TALKS about the way Humanrights must be conducted - related to the National Constitution & National Laws -.
 - Always skip TALKS about Court of Law procedures that can End a conflict, without violence.
 - Always skip the Trip to the Courts of Law for conflict-ending.
 - They - almost - immediately start to:
 - hide information +
 - lie +
 - bully with a few facts (which are often Lobby-facts instead of Legal facts) +
 - design Resolution which are 100% worthless in Courtroom
 - design new Treaties when the current Criminal Lobby becomes ineffective.... and the Simple People may not discover HOW the crimes against humanity & warcrimes are being carefully designed at @UN @WTO
- Terror-talks: A warcriminal, sitting at the @UN table' is only prepared to Do the Good thing...' after he or she is forced to accept Legal Truth.
 - This Legal Evidence must also be presented in a way 'that the criminal can only confess that he/ she made a Justice - mistake'.

- The person who presents the Legal Evidence must pave the Legal -procedure too , during the conversation.

Meaning: the persons who presents the Evidence must also prove that he / she knows 'how the Court-system operates, so the Court of Law will indeed. STOP the CRIMINAL'.

The UN-criminal must be addressed in a way 'that he / she can do Nothing else be become a Good legally Fair operating person'.

- Healing talks do NOT exist anymore at @UN, all caused by the arrival of the International Criminal Court....
 - Paradize for Politicians & Friends.
 - Hell for the Lawless Simple People on Earth & Intergalaxy.

**There is absolutely Nobody - among the Leaders -
on Earth in the MilkwayGalaxy
who conducts the UN-charter + National Constitution + National law.**

**Today, its up to the @ClimateClaim Generation
to prove that they know everything about
UN-corruption / manipulations / laundry service
for Self-enrichment via International Court of Law.**

**And, KIDS & Young adults
must also prove
that they can make @UN-linkes Leaders
operate legally correct on Homeland -territory.**

Tomorrow, I shall write about Self-defence for the KIDS... while being at @UN.
